

Product Details

L2494 Contoured Grating

Technical Data

**Dimensions:**

150 square at finish level

70 - Overall Height

Connection - 3" BS416 (75mm) / Harmer SML

Free Area - 90cm²

Materials - Nickel bronze

Load Rating Class - L15

Weight - 1.9 kg

General Description:

150 Square Nickel Bronze Direct Connection Contoured Grating, for use with tiles, marble, terrazzo, resin etc. flooring (Providing drainage in a run of tile channel - matches Pilkington 2302 / Gail 4420 tile), with 87 dia. vertical outlet. Durable, superbly finished items particularly suited to a high volume of pedestrian traffic.

Options:

To specify an option, add option letter(s) as a suffix to the Spec. Code

H - fitted with Pin Torx screws for security applications

Materials:

Nickel Bronze - BS EN 1982: Used with satin finish for gratings, funnels and access covers. A cast alloy with a fine grain effect which blends well with most floor finishes. The satin finish is generally maintained by the slight abrasive action of passing traffic. In unused areas the material will gradually tarnish. To restore lustre, apply a plain nylon scouring pad (not soap-filled) in the direction of grain. **Note: Avoid covering nickel bronze items with plastic sheeting after installation, otherwise blackening may occur.**

All dimensions are in millimetres unless stated. In line with general practice all dimensions shown are nominal.
